Dear Full Name of Applicant:

Thank you for applying for the Healthy Baby: Manitoba Prenatal Benefit. Your application has been assessed, and unfortunately you are not eligible for Prenatal Benefits based on your income.

Prenatal benefits are based on net family income on line 236 of the Notice of Assessment sent to you by Canada Customs and Revenue Agency. Benefits are paid to applicants whose net family income was **less than \$32,000** in the last taxation year. Your net family income in the last tax year was \$Previous Net Family Income Amount. If your current year income is less than \$32,000, please call our office and ask if you might be assessed on your net family income for the current year.

Please give us a call if you have any questions or want to talk to us about how your application was assessed. For information on appealing this decision, please read the attached notice.

Healthy Baby also offers **friendly community drop-in and outreach support programs which you are welcome to attend**. They cover topics such as healthy eating during pregnancy, breastfeeding, and parenting, and include snacks and cooking activities. Having extra support in pregnancy can be helpful, informative and fun. Please call the number below or toll-free 1-888-848-0140 to find out where the closest Healthy Baby program is in your area.

Sincerely,
