Report Analysis / Comments

Please describe the progress achieved for each of the following activities and outcomes as outlined in your Service Purchase Agreement. Please provide specific examples.

SERVICE ACTIVITIES

- 1) Work with participants to secure housing and provide appropriate housing supports for participants in order to achieve stable tenancies. *Please describe how this was achieved:*

- 2) Assist participants in achieving and maintaining stability in their lives, by utilizing assessment skills and professional intervention strategies to address social problems before and after they are housed. *What assessment techniques do Breakaway staff use to assess clients needs? What intervention strategies were utilized during reporting period?*

- 3) Work with community agencies, government, health authorities, and civic staff to enhance access to non-emergency services and resources for this vulnerable population. *What agencies were partnered with during this reporting period? What external services were most significantly accessed by clients? In what ways could the ASU provide support in expanding access to outside resources?*
