

This Authorization is issued pursuant to section 40(3) of *The Wildlife Act*.

Authorization Holder Name:				
Authorization Holder Address:	P.O. Box/Street Address	City/Town	MB Province	Postal Code
Contact Name (if applicable)				
Contact Phone Number(s):	Home/Office Phone:		Mobile Phone:	
The Authorization Holder is hereby authorized to remove <input type="checkbox"/> beaver dam(s) <input type="checkbox"/> beaver lodge(s) <input type="checkbox"/> muskrat house(s) using the following method and/or equipment:				
Method/Equipment:				
At, within or on the following location(s):				
Location(s):	<input type="checkbox"/> Crown (Manitoba) lands <input type="checkbox"/> Municipal lands <input type="checkbox"/> Private lands <input type="checkbox"/> Other lands (Include Legal Land Description e.g. Sec/Twp/Rge)			
CONDITIONS:				
1	This Authorization must be carried while exercising a right or privilege granted there under and must be produced upon the request of an officer.			
2	The removal of any beaver dam which has an active beaver lodge or bank den upstream, or the removal of any beaver lodge or muskrat house, must be preceded by a reasonable attempt to trap the resident beavers of that lodge or the muskrats of that house unless otherwise directed by an officer. Removal of said beavers/muskrats must be undertaken by a licensed trapper or a person in possession of a valid Kill Permit. This condition does not apply to a partial beaver dam removal for management purposes.			
3	Full responsibility and liability for any damage, injury or loss sustained to the person or property of the Authorization Holder or for any damage, injury or loss sustained by any other person or the property of any other person as a result of the exercise of a right or privilege granted herein lies with the Authorization Holder. The Government of Manitoba shall not be held responsible or liable.

ADDITIONAL INFORMATION:	
1	This Authorization may be cancelled or the conditions amended at any time.
2	The Authorization Holder is responsible for consulting with and obtaining all necessary authorizations from the Department of Fisheries and Oceans Canada.
3	A Work Permit may also be required if heavy equipment or explosives will be used to remove a beaver dam or lodge which is located on Crown Land.
4	This does not authorize the removal of any beavers or muskrats.
5	This Authorization is not valid: a) In an ecological reserve or within a portion of a provincial park with a land use category of "wilderness", "backcountry" or "heritage", unless otherwise approved in writing by the Director of Parks and Protected Spaces Branch; b) In a wildlife refuge, special conservation area or wildlife management area unless otherwise approved in writing by the Director of Wildlife and Fisheries Branch; or c) On private land without written authorization of the owner or lawful occupant.

By signing below I hereby certify that the information given to obtain this authorization is true and that I understand, and agree to comply with, the conditions set out herein.
