

Special Education Teaching Certificate Guideline

Certification requirements

1. **A valid Manitoba Professional Teaching certificate.**
2. **A minimum of thirty (30) credit hours of approved post-baccalaureate special education course work within a degree program from an accredited university.**

a. Section 1: Core

Eighteen (18) credit hours of core university course work

Core course work is available at Brandon University (BU), the University of Manitoba (UM), the Université de Saint-Boniface (USB), and the University of Winnipeg (UW)

b. Section 2(a): Electives

Twelve (12) credit hours of elective university course work in special education related topics.

Elective course work is available from the Brandon University (BU), the University of Manitoba (UM), the Université de Saint-Boniface (USB) and the University of Winnipeg (UW).

Consult the university calendars for course availability.
 Courses completed at various universities must be transferred into home degree program.
 The degree must be awarded to apply for the salary reclassification.
 A course syllabus may be requested for the evaluation as required.

c. Section 2(b): Professional Development – OPTIONAL

Twenty (20) contact hours of approved professional development in special education related topics is equivalent to one (1) hour towards Section 2(a): Electives.

If completing twelve (12) credit hours of university course electives in special education to complete a degree for a salary reclassification, professional development is not required or mandatory for certification purposes.

Completing only approved professional development will not fulfill the Special Education Teacher's certificate. See number: 2. a. and 2. b.

Professional development contact hours are not university credit hours and are not eligible for degree requirements.

3. **A minimum of two (2) years approved Manitoba or Canadian teaching experience.**

Application Process and Credential Assessment

1. **Academic work completed in Manitoba:**

Arrange with the university to mail your official transcript directly to the Professional Certification Unit once your degree has been awarded.

2. **Academic work completed outside Manitoba:**

Arrange with the university to mail your official transcript directly to the Professional Certification Unit once your degree has been awarded.

3. **Achievement certificate:**

Refer to certification requirements **page 1: 2. c.** to determine if professional development is required for certification purposes.

Professional Development Guide

All activities must be arranged by a school division/district, Manitoba Education and Training, or other government department, university, professional association, agency, or hospital.

Once professional development activities are registered at our office by a formal application from the above sources, a reference number is generated to identify the approved session. Only those sessions with a reference number are accepted.

4. **Certification Fee:**

The certification fee is \$60.00. Payment can be made by cheque or money order payable to the Minister of Finance or by Visa or MasterCard by filling out the Visa or MasterCard Service Request form.

- Visa or MasterCard Service Request form – **see page 9**
- Special Education application – **see page 10**
