POSITION DETAILS

- Organizations may apply for up to four positions, at a maximum of 320 hours per position.
- Organizations may apply to split a full-time position into part-time positions, as long as two part-time positions combined do not equal over 320 hours.
- Organizations must give a brief description of the proposed duties for each position they intend to fill.
- ASL student positions may start anytime after June 15, 2019 and all hours must be completed by September 15, 2019. If a position begins in June or goes into September, it must not interfere with any of the youth's school commitments.
- Organizations must submit a formal job advertisement for the proposed positions with this application.
