SCHOOL BUS DRIVER CONSENT FORM

In accordance with Manitoba Regulation 465/88R, the Pupil Transportation Unit (PTU), Manitoba Education and Training, issues School Bus Operator's Certificates to all qualified school bus drivers. PTU maintains a registry of all certified school bus operators in the province. School bus driver licence information may be required by PTU to ensure compliance with certification requirements.

In order for PTU to obtain personal driver's licence information from Driver and Vehicle Licencing, Manitoba Public Insurance, each school bus driver must give consent by completing and signing this form.

I hereby authorize Manitoba Public Insurance and, in particular, Driver and Vehicle Licencing, to disclose personal information regarding my Manitoba driver's licence to the Pupil Transportation Unit, Manitoba Education and Training. The specific information I authorize to be disclosed includes my name, address, date of birth, driver's licence number, effective date, expiry date, endorsements, conditions (including expiry dates), restrictions, dates of changes in licence status, reasons for changes in licence status, and any other personal information reasonably required by the Pupil Transportation Unit to enable it to administer school bus operator certification provisions under The Public Schools Act (Manitoba) and Regulations.
