Dear :

RE:

We have completed an audit of and have determined that there are outstanding wages owing to you. A proof of claim has been issued on your behalf with the trustee of the bankrupt estate.

In addition, we have issued payment of wages orders to the director of the corporation, since they are not personally bankrupt, and there are provisions within the legislation to hold them liable for the payment of wages.

It will be some time before we get a report from the trustee with respect to the disbursement of funds. Once we have heard from the trustee, we will advise you. In the meantime, however, we will be pursuing monies from the directors and will keep you apprised of any developments in that regard.

Please advise our office if you have a change of address or telephone number.

Yours truly,

Employment Standards Officer
