File No.

The Manager

Dear :

RE:

Please have the enclosed cheque No. , in the amount of certified and returned in the enclosed stamped self-addressed envelope at your earliest convenience.

Bank practice has been to not charge for certification of a cheque payable to a government department. If such a fee is applicable, we ask that you return the cheque to us and we will return same to your customer to have the cheque certified. Alternatively, you may wish to contact your customer to determine if they would like the cheque certified and any fee charged to their account.

Thank you for your cooperation in this matter.

Yours truly,

Employment Standards Officer
