Examination eligibility, examination rewrite waiting periods and licensing information are found within the Regulations of the specific acts. Online versions of the laws of Manitoba can be accessed from the OFC's [Acts and Regulations](#) webpage.

All applications must be complete, pre-requisites met, required documentation submitted and fees paid in order to be eligible to write an exam. The deadline for application submission is a minimum of 4 weeks (20 working days) prior to the scheduled examination date. Late applications may be processed for the next available examination sitting.

The examination fee is \$60. Payment methods are as follows:

- Cash (in person)
- Cheque/Money Order made payable to the Minister of Finance
- Credit Card (either in person or by mailing in a Credit Card Authorization {CCA} form with application). Payment will not be processed if CCA is emailed or faxed. Mail only.

Proof of further education and/or hours logged under a licensed employer must accompany an application for a re-write at the 4th and 7th attempts, for exams in each program area. There is a 90 day waiting period between examination re-writes.

Rescheduling an examination more than once may result in an automatic refund of the examination fee. You may however re-apply with applicable fee.

To reschedule an examination, the Office of the Fire Commissioner requires a written request, 5 business days prior to your confirmed scheduled date. All requests should be forwarded to Firecomm@gov.mb.ca or mailed to the address below.

In order to receive a full refund for a cancelled examination, once you've received confirmation, a written request at least 5 business days before the exam date is required.

If you **do not show up** to a confirmed sitting and have not rescheduled or cancelled within the deadlines your application fee will be forfeited.
