### 2020 Seasonal Campers' Guide Draw Information

We are pleased to provide you with a copy of the 2020 Seasonal Camping Guide, including all documents to help you in applying for a seasonal campsite. Important modifications to the guide have been highlighted for easy recognition.

**All applications must be sent to:** Manitoba Conservation and Climate  
Seasonal Camping Program  
Box 52, 200 Saulteaux Crescent  
Winnipeg, MB R3J 3W3

**All applications must be received by 4:30 p.m. on Friday, February 7, 2020. Applications received after this deadline will not be accepted.**

Notifications will be sent out following the computerized draw to let applicants know their draw order for site selection.

If you have not received your notification by Thursday, February 26, 2020, please call the number below.

**Winnipeg Seasonal Camping - Site Selection Meetings** will be held at:

**Canad Inns Destination Centre, Club Regent Casino Hotel  
1415 Regent Avenue West, 2<sup>nd</sup> Floor, Ambassador Ballrooms A & B**

**New for 2020:**

- **New shower buildings will be available at Big Whiteshell - South Shore and Paint Lake**
- **Showers buildings were converted to Pay Showers at Adam Lake and Rivers**
- **1 electrical site was added at West Hawk Lake from the permanent trailer village**
- **Asessippi and Manipogo successful applicants will now be contacted by phone to select their sites.**

In order to advise you as quickly as possible on your draw order, we will be contacting you by e-mail. For those applicants without an e-mail address, a letter will be sent through Canada Post. We ask for your assistance by ensuring that your application reflects your current mailing address and e-mail address (if applicable). If you are not filling out the application on the computer, please **print** clearly to ensure the proper information is recorded.

When completing the application form, please review before submitting to ensure the correct information is portrayed.

If you have any questions relating to the Seasonal Camping Program, please email us at: [seasoncamp@gov.mb.ca](mailto:seasoncamp@gov.mb.ca) You can also call 204-945-3934 in Winnipeg or our toll free line 1-800-214-6497 ext. 3934. We hope that you and your family enjoy another great season of camping in Manitoba's provincial parks.

## 2020 ACCESSIBLE SEASONAL CAMPSITES IN MANITOBA'S PROVINCIAL PARKS

Manitoba's provincial parks offer accessible campsites for persons with physical disabilities in our seasonal campgrounds on a regional basis in order to encourage camping for persons who face barriers that prevent their participation in camping activities that others take for granted. Previously, accessible campsites have only been offered in the nightly camping programs.

Please note that the Seasonal Camping Package is available in larger print upon request.

### **What is an accessible campsite in a seasonal campground?**

An accessible seasonal campsite is one that has been selected to accommodate persons with physical disabilities. It offers a level, basic or electrically-serviced campsite that is within 100 metres of accessible washroom facilities (modern or non-modern), potable water, and garbage disposal. Driveways will have a hard packed granular surface and trails leading to washroom facilities will be barrier-free and level. Picnic tables have an extended table top for improved access.

### **Where will these sites be offered in 2020?**

Seasonal accessible campsites will be offered in Asessippi (2), Big Whiteshell (South Shore) (2), Black Lake (1), Campers Cove (2), Falcon Lakeshore (6), Hecla/Grindstone (2), Moose Lake (1), Paint Lake (5), Rainbow Beach (2) and Stephenfield (3) in 2020. Expansion to other locations will be considered in future years.

### **Application Process**

Any person with a long-term disability, who requires an accessible seasonal campsite, must make declaration on the application, and return the Physician Certificate with their application.

### **Draw Process**

Draws will maintain the integrity of the draw order process. If a campground offers 100 sites, 100 applicants will be called in draw order, and may include applicants for accessible sites.

Applicants, who have declared the requirement for an accessible site, may select from the designated accessible sites or from any available basic or electrical service site. When an applicant opts to select a site that is not a designated accessible site, no further site accommodation will be made. If an applicant is unsuccessful in obtaining a designated accessible site, they may withdraw, accept a non-accessible site if available, with no further site modification, or opt for the standby list for the next available site, with no further site accommodation.

Once all eligible applicants for accessible sites make a site selection have been processed in the draw, or when accessible sites are the very last to be allocated, unallocated accessible sites may then be selected by any remaining applicant
