

Application for Continuation of Placement of a Vulnerable Person in a Developmental Centre

Under *The Vulnerable Persons Living with a Mental Disability Act*, an application for the continuation of the placement of a vulnerable person in a developmental centre can only be made in circumstances where a vulnerable person:

- is a resident of a developmental centre at the time a substitute decision maker was appointed for personal care with the power 57(2) (a) to decide where, with whom and under what conditions the person will live
- was a resident of the developmental centre prior to *The Vulnerable Persons Living with a Mental Disability Act* coming into force on October 4, 1996
- the substitute decision maker has decided that the vulnerable person should continue to reside at the developmental centre

The substitute decision maker must obtain the approval of the Vulnerable Persons' Commissioner to continue the placement in a developmental centre and this application must be filed with the commissioner within 60 days of the date the substitute decision maker has been appointed.

The requirements that must be met are that:

- the applicant has made reasonable efforts to find a placement for the vulnerable person other than in a developmental centre, and no suitable alternative placement is available
- it is in the best interests of the vulnerable person to be placed in a developmental centre
- there is a developmental centre willing to accept the vulnerable person
