

- Allow 28 working days for this application to be processed.
- A further \$25.00 is required for every animal captured and retained for the purposes of possession.
- This application will not be processed unless the required fee is attached.
- Your cheque or money order should be made payable to "The Minister of Finance."
- An applicant must have permission from the owner or lawful occupant before private land will be authorized as a capture site.
- A capture permit is not valid to take a wild animal in an ecological reserve, a special conservation area, a wildlife management area, a refuge or a federal, provincial, municipal or city park.
- A permit holder shall not retain a species other than as authorized in the capture permit.
- For information and to determine what species a capture permit is used for, contact the WILDLIFE PERMITS CLERK at 204-945-1893.
