

WORK PERMIT APPLICATION INFORMATION SHEET

- Work Permits are required under the Crown Lands Act for work conducted on Crown land.
- Work Permits are required under the Wildfires Act for industrial operations conducted within the Province of Manitoba Burning Permit Area.
- Work permits are no longer required for work within Manitoba Infrastructure's Right-of-Ways (ROW). Applicants should contact the nearest Manitoba Infrastructure Office before beginning work in a Manitoba Infrastructure's ROW.
- Work permit requests of a routine nature will normally be issued at the district office within 5 business days of receipt of the application but depending on the complexity of the project a regional review may be required which can take up to 4 – 6 weeks to complete. Please submit your application accordingly.
- In areas covered by Resource Management Agreements consultation may also be required with the Resource Management Board (RMB). Normally the RMB has 45 days to review and provide comments on applications.
- Depending on the project, an Environment Act Licence may be required. Information on the types of projects that require an Environment Act Licence can be obtained at: <http://www.gov.mb.ca/conservation/eal/index.html>
- To ensure that you will not be working on mining restricted lands, please consult with Manitoba Mineral Resources or their website at <http://www.gov.mb.ca/iem/index.html>
- The permittee is responsible for consulting with and obtaining all necessary authorizations from other Government Departments or Agencies (i.e. Manitoba Mineral Resources, Department of Fisheries and Oceans, Transport Canada, etc.).
